Academic Details

Institute of Engineering and Technology, DAVV
Bachelor of Engineering, Information Technology (CGPA: 7.1 / 10) 2022-2026

Higher Secondary Examination (CBSE Board)
Rai Saheb Bhanwar Singh Public School Nasrullaganj Sehore M.P 2020-2021

High School Examination (CBSE Board)
Rai Saheb Bhanwar Singh Public School Nasrullaganj Sehore M.P 2018-2019

Projects

VisiText – AI Image Generator Web App

MongoDB, Express.js, React.js, Node.js, Razorpay, JWT, Axios, Mongoose, Bcrypt *Mar 2025*

- Developed a full-stack AI-based image generation platform allowing users to log in, generate images via prompts, and manage usage with a credit system.
- Integrated Razorpay payment gateway to enable secure credit purchases.
- Implemented JWT-based authentication, MongoDB-based user storage, and credit deduction logic post each image generation.
- Used Axios for frontend-backend API communication and Form-Data for image data handling.
- Backend built with Express and secured with bcrypt and dotenv for environment safety.

LegalSathi – Lawyer-Client Connect Web App

MongoDB, Express.js, React.js, Node.js, Tailwind CSS, REST APIs, JWT, Bcrypt. *May 2025*

- Designed and developed a full-stack legal consultation web application that connects clients with lawyers through a structured digital platform.
- Built a lawyer registration and profile management system, where lawyers can create, edit, and update their professional profiles with qualifications, expertise, and availability details.
- Implemented a robust admin panel that enables administrators to review lawyer applications and approve or reject profiles before they become visible to clients, ensuring authenticity and trust.

Technical Skills

- **Programming Languages** : C/C++, JavaScript, SQL.
- **Frontend Technologies** : HTML, CSS, Tailwind CSS, React.js.
- **Backend Technologies** : MongoDB, Express.js, Node.js.
- **Developer Tools** : Git, GitHub, Figma, Canva, VS Code.
- **Concepts** : Data Structures & Algorithms, DBMS, OOPs.

Extracurricular Activities

Design Head
E-cell : The Official Entrepreneurship Club of IET DAVV

- Led the club's creative direction and design strategy for E-Submit 2023, the annual flagship entrepreneurship event, ensuring a consistent and professional visual brand identity across all platforms and materials.
- Conceptualized, designed, and published the official IET newsletter Vritant 2.0, creating engaging layouts, compelling visuals, and consistent typography to maintain brand alignment.

Media Head
NSS : The Official National Service Scheme Unit of IET DAVV

- Managed NSS's digital presence by designing promotional materials, overseeing event media coverage, and handling public relations to boost participation and visibility.
- Created and maintained engaging content across social media platforms, resulting in increased reach and improved student involvement in NSS activities.
